## Jonas Hunter Productions

I charge an affordable rate of just \$100 per hour. I never charge for set up or tear down. I have hundreds of weddings under my belt as well as parties, events, etc. You get an experienced DJ with well over 1,000,000 songs in all genres, wireless microphones, a light package and private consultation to develop a plan for your wedding day. I have a very easy to follow ceremony outline sheet that makes the actual ceremony, as well as the reception, as easy to follow for everyone involved. I'll get you on track so that you don't have to worry about anything on your special day. I will handle all of that for you. I am also a professional announcer for many professional and NCAA sports teams in Tucson, so I know how to talk to a crowd and keep the dance floor moving. I would love for the opportunity to make your special day brighter.

My resume includes over 25 years as a professional broadcaster and program director in both the Pittsburgh and Tucson radio markets. Over twelve years as a professional stadium announcer for ice hockey (Tucson Gila Monsters and Tucson Scorch), Major League Baseball (spring training games for the Arizona Diamondbacks, Chicago White Sox and Colorado Rockies), AAA Minor League Baseball (Tucson Sidewinders, Tucson Toros and Tucson Padres), Football (Casino Del Sol All Star Games), NCAA Sports (Arizona Wildcat Football and Softball). Five years of professional wedding planning. Six years in the event planning business including art festivals, culinary events, fashion shows, car shows and concert events. Six years as a sound engineer providing live sound for bands of all genres in Southern Arizona.

***A Sound investment for your next special event, party, wedding, or special celebration.

## **WEDDING PACKAGE:**

- Private consultation to map out a plan for your special day as well as making song suggestions. It's important to understand what your needs and expectations are in order to plan for a successful and enjoyable event.
- Optional second consultation on site at the ceremony and reception venue (if needed)
- Very easy to fill out and follow Wedding Ceremony Outline Sheet to make sure that everyone is on the same page.
- Hi Fidelity sound system that can push 10,000 watts, meaning I can fill any ballroom or venue size with the appropriate amount of audio.
- Wireless microphones (3)
- 1,000,000 songs on file accessible at anytime
- Separate sound system as well as wireless lavalier microphones for the vow exchange ceremony.
- Light package includes two light trees with four multi-colored lights each that pulse to the beat of the music.
- 10' light truss with four multi-colored lights and a red and green laser
- Motion sensitive, multi-colored animated light that projects shapes onto the dance floor.
- Projector for slide show, Power Point presentation, or video montage.
- Professional disc jockey with well over 25 years of experience in the music industry.
